

AVL

For Peak Aviation Performance

No Chlor Cleaner/Degreaser

- Replaces 1, 1, 1 Trichloroethane
- Ozone Safe
- No Chlorinated Solvents or CFCs
- Evaporates Quickly Leaving No Residue
- Removes Oil, & Contaminates on Contact

Part No. AVL-NC20

WARNING: VAPOR HARMFUL. EXTREMELY FLAMMABLE. DO NOT USE ON ENERGIZED EQUIPMENT, CONTENTS UNDER PRESSURE. KEEP AWAY FROM CHILDREN. READ CAUTIONS ON BACK PANEL.

NET WT. 14 OZ. (397 G)

AVL No Chlor Cleaner/Degreaser

The powerful flushing action and a high solvency formulation makes cleaning metal parts faster and easier. Oil, grease and other contaminants are removed instantly. Evaporates quickly leaving no residue. Penetrates quickly into hard to reach areas cleaning thoroughly. This product does not contain any 1, 1, 1 Trichloroethane or any solvents or CFCs known to deplete the stratospheric ozone layer.

Directions: Spray metal parts liberally and allow to run off. Allow to air dry or wipe off with a clean, dry rag. Repeat for extra heavy deposits of oil and grease. Do not allow product to come in contact with rubber parts. **DANGER: Do not on energized electrical equipment or equipment that is turned on or in operation. Allow treated surfaces to completely dry before restarting equipment.** TEST RUBBER AND PLASTIC PARTS FOR COMPATIBILITY.

WARNING: EXTREMELY FLAMMABLE. Do not use near heat or open flame, or while smoking. Intentional misuse by deliberately concentrating or inhaling contents can be harmful or fatal.

KEEP OUT OF REACH OF CHILDREN.

Contents under pressure. Do not puncture or incinerate or store container above 120°F. Over exposure may cause dizziness and may also cause irritation to nose and throat. Use with adequate ventilation, and avoid continuous breathing of vapors. Avoid liquid and vapor contact with eyes and skin. In case of eye contact, flush eyes with water and call physician. **IF SWALLOWED DO NOT INDUCE VOMITING. CONTACT PHYSICIAN IMMEDIATELY.**
